## MARK THE COURSE(S) YOU ARE REGISTERING FOR ✓

### BEAUTY THERAPY AND NEW VENTURE CREATION ☐

This 12-month course offers a comprehensive combination of business management, entrepreneurship and cutting-edge aesthetic procedures, all in one program.

### MEDICAL AESTHETIC FACIALS ☐

Broadening your skillset and offering a wider range of specialized treatments to clients, allows therapists to provide more advanced and results-oriented skincare solutions.

**Certificate/ Diploma in Health and Skin Care mandatory for course registration.**

### LASH EXTENSIONS ☐

Artificially enhance the fullness and length of natural eyelashes. Students receive hands-on practice and guidance on the step-by-step process of applying lash extensions

### HAIR REMOVAL METHODS ☐

Training in Hair Removal Methods, like threading and waxing, offers effective and long-lasting results. Mastery of these methods opens career opportunities in the beauty industry.

### LASH AND BROW LAMINATION ☐

This course equips you with the skills to create beautifully lifted lashes and perfectly groomed brows. Learn the latest techniques to enhance your clients' natural features, offering them long-lasting, low-maintenance results.

### BUSINESS MANAGEMENT ☐

Learn to manage and grow a beauty business with our essential Business Management course.

### MAKE UP ☐

Learn essential techniques from industry experts, mastering the art of makeup application and unleashing your creative potential.

### PERFORM A FACIAL AND BACK CLEANSE ☐

Master the art of facial and back cleansing with our comprehensive course. Learn techniques to deeply cleanse, exfoliate, and rejuvenate the skin, leaving your clients refreshed and glowing.

### CHEMICAL PEELS & MICRO NEEDLING ☐

This program delves into different types of resurfacing and collagen induction treatments.

**Certificate/ Diploma in Health and Skin Care mandatory for course registration.**

### MANUAL LYMPH DRAINAGE ☐

Medical massage technique that manipulates tissue to encourage the natural movement of lymph through the body.

### MANICURES & PEDICURES ☐

This training program equips students with the expertise needed to provide professional manicure and pedicure services.

### SPA MANAGEMENT ☐

Learn how to manage staff, business specific procedures and maintain a high quality business.

### SPA RECEPTIONIST ☐

Become an efficient and professional receptionist by learning the fundamental details in helping a business function optimally at the point of first interaction.

### MASSAGE THERAPY ☐

From mastering various massage techniques to understanding the anatomy of relaxation, you'll gain the skills to bring comfort and wellness to others through the art of touch.

### RETAIL AND SALES ☐

Master the essentials of sales and retail with skills in client engagement, upselling, and building loyalty. Learn to create impactful displays, boost revenue, and deliver exceptional customer experiences. Elevate your expertise and drive success in any retail environment
